Project Title: Delta Flood Emergency Facilities Improvement Project

Project Applicant: California Department of Water Resources, Division of Flood Management

Project Location (include county): Stockton (San Joaquin), Rio Vista (Solano), Brannan Island (Sacramento)

## Project Description:

The proposed project includes two new material storage and transfer facility sites. One is located on West Weber Avenue in Stockton, and the second one is located at Brannan Island State Park on Brannan Island. The proposed project would also modify an existing material storage facility located in the City of Rio Vista. The sites would store quarry rock, sand, soil, and other flood fighting materials. Site improvements include fencing, docking and loading facilities, parking, temporary office trailers, utilities (water, power, communications, and wastewater) lighting, and security facilities.
